

The Bentley Bedker Climbing Scholarship

About Bentley Bedker

Bentley Bedker of Breckenridge was an avid outdoorsman and athlete, excelling in kayaking, Nordic and alpine skiing, and cycling. His greatest love and passion, however, was rock climbing. Bentley traveled the world to climb, and touched the hearts of many along the way. The Bedker family is graciously offering this scholarship to Summit County youth climbers in loving memory of Bentley.

The Bentley Bedker Scholarship is designed for Summit County residents, ages 6-17.

This scholarship will support 50%-100% of enrollment costs for any youth climbing program. Applicants may also apply for the scholarship to cover the costs of climbing gear, if they are enrolled in a current or upcoming youth climbing program.

To Apply - get an application from the front desk, climbing wall or online!

- **Submit a complete, legible application.**
- **Scholarship recipients must write a hand-written thank you letter to the Bedker family.**
- **Scholarship recipients must attend a minimum of 80% of meeting dates for the program in which they are enrolled.**

If this requirement is not met, the recipient may forfeit their scholarship award and have the full cost of the program charged to their account.
