

Accessing Your Kaizen Account

For those of you who have an existing and active account in ActiveNet, follow these steps to finish setting up your account

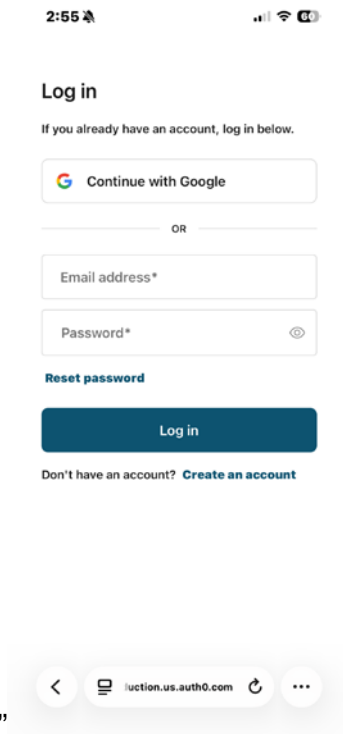

Type in www.recbreck.com in your internet browser

From the home screen, click on the three lines at the top left corner of your screen (if you are on a computer, it will be the person logo on the top right-hand side of screen)

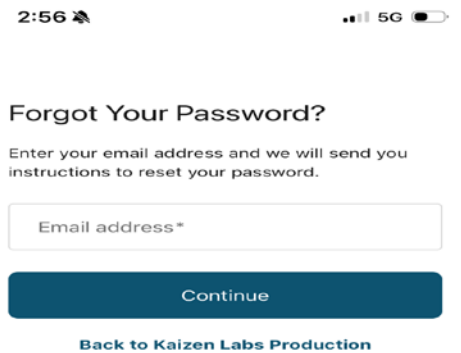

From there, click on the "Log in" button

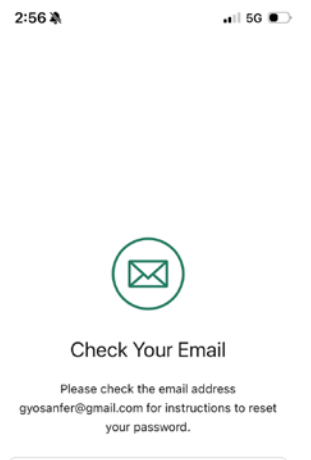

DO NOT enter anything, click on “Reset Password”

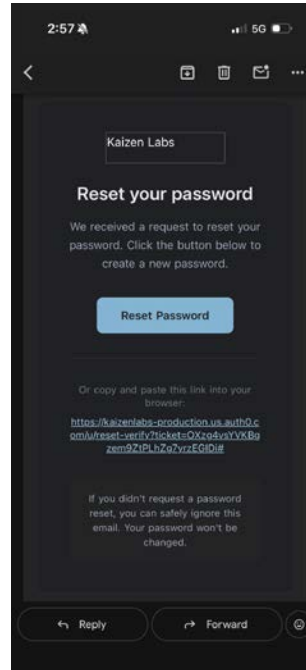

In this screen, enter your email address and then hit “Continue”

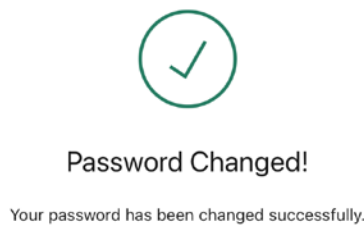

A screen will appear prompting you to check your email.

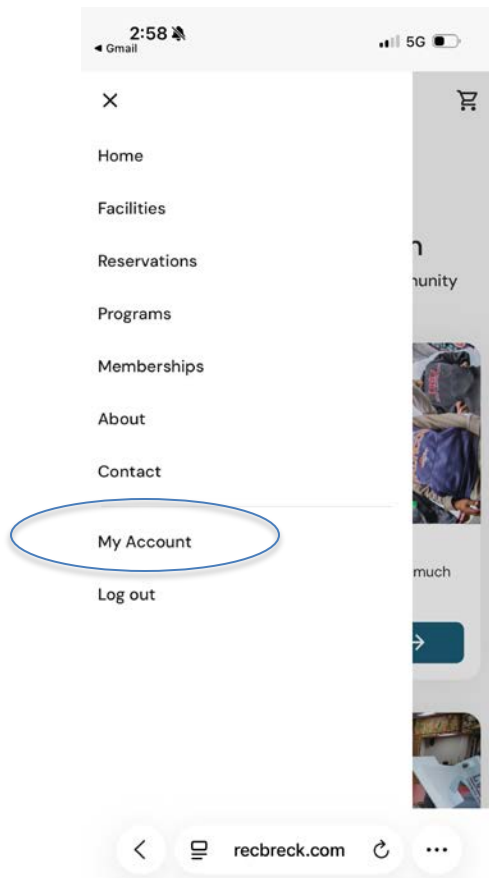

The email should look something like this:

Hit the “Reset Password” button and continue to enter your new desired password for your account.

A screenshot of a web form titled 'Change Your Password'. It asks the user to 'Enter a new password below to change your password.' There are two input fields: 'New password*' and 'Re-enter new password*', both with eye icons for visibility. A blue button labeled 'Reset password' is at the bottom.A screenshot of a web form titled 'Log in'. It says 'If you already have an account, log in below.' There is a 'Continue with Google' button. Below that, it says 'OR' and has two input fields: 'Email address*' and 'Password*' with an eye icon. A blue button labeled 'Log in' is at the bottom. Below the button, it says 'Don't have an account? Create an account'.

Then the password will be successfully changed, and you can now log in and access your account in Kaizen.

From there, you can add your membership to your Google or Apple Wallet for an easy sign-in.
